

## Information for Patients

# Osteopathy

Musculoskeletal Service for Back and Neck Pain

Patients in the Hampshire area can now be referred to a Registered Osteopath if they are suffering pain in their low back or neck. Referral to the Osteopathic clinic is via GP referral and available to any patient who is registered in a surgery located within the Hampshire area.

## What type of conditions can be referred to the Osteopathic Clinic?

A patient is eligible for referral to the service if they present with primarily **back or neck pain** such as whiplash disorders, stiffness and or restricted movement, degenerative pain or cervicogenic headaches.

## How can I access the Osteopathic Clinic?

Access to the clinic is via GP referral. Speak to your GP if you think you may be eligible for this service.

## Where is the Clinic based?

The Clinics are situated in local Health Centres and Community Hospitals in the region with some appointments available outside of normal working hours to include a Saturday.
